ANTI-WRINKLE TREATMENTS (COSMETIC)

ANTI-WRINKLE INJECTIONS

Prices are based on how many 'units' you need. You'll be guided during your consultation how many are required for the look that you want

1-40 units = \$16/unit*

50-60 units = \$15.5/unit

60+ units = \$15/unit

***Minimum of \$250 spend**

FACIAL SLIMMING TREATMENTS

The dosing and price depends on the size of the muscles being treated.

from \$775 to \$1550

GUMMY SMILE

Gummy smile treatments are quick and simple to perform. (Occasionally fillers are a better and longer-lasting option but you'll be guided during your consultation)

from \$250 per session

CALF SLIMMING TREATMENTS

Calf slimming treatments are priced based on the large dose of product needed for both calves (approx 75-100 units per calf)

from \$2175 (inc both legs)

ANTI-WRINKLE TREATMENTS (MEDICAL)

TEETH GRINDING/CLENCHING TREATMENTS

from \$775 - \$1550

Teeth grinding treatments may involve the masseter, temple muscles and/or pterygoid muscles. Your dental history will be explored and Dr Jake recommends that you seek dental advice in addition to these treatments

ANTI-SWEATING TREATMENTS

from \$1550 (100 units)

Reduce & stop uncomfortable sweating for 6-9 months. Areas include the underarms, scalp, chest and back. Prices depend on the surface of the area being treated)

MIGRAINE TREATMENTS*

from \$2000

Anti-wrinkle injections can be used to help reduce migraine-causing tension in the forehead, scalp, neck and shoulder muscles (using a minimum of 155 units as per the licensed migraine protocol)

*Migraine-sufferers are reminded to first have a consultation with their GP to rule out other causes of headaches. Your GP may refer you to a neurologist for a similar treatment where you might be eligible for a medicare rebate

FILLER TREATMENTS

FILLERS

There's no such thing as a cheek filler, a jawline filler or a tear trough filler 'price'. It just depends what your features require and you'll be guided in your consultation as to how many syringes of filler (ml's) are needed

1ml \$800
2ml \$1500
3ml \$2100
4ml \$2600
5ml \$3000

LIP FILLERS

Lip fillers are performed using up to 1ml of filler per session (0.5ml treatments are not available)

\$800 (1ml)

THE LIQUID NOSE JOB

Fillers for the nose are a specialised treatment requiring expert techniques

from \$1200

BIO-STIMULATORY FILLER

Not all fillers volumise the face - this new type of filler helps improve the integrity, firmness and hydration of the skin but without any shaping of the face.

This treatment is performed over two sessions, spaced a month apart. For the best results, extra sessions can be done every 6 months or so.

\$900 per session

FILLER DISSOLVING TREATMENTS

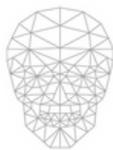

ULTRASOUND DIAGNOSIS +/- FILLER DISSOLVING

\$750 (per session)

If you've had a filler treatment elsewhere and the results aren't what you expected (including lumps, obvious asymmetry, on/off puffiness in an area, over-filled areas, poor lip shape or filler 'migration') the filler can usually be dissolved.

Dr Jake is one of very few injectors in Australia to use ultrasound to visualise the areas and target the filler precisely. It usually only takes one session but occasionally a second session might be required.

Once the filler is dissolved, a repeat filler treatment can be considered (with a minimum of two weeks recovery from the dissolving)

FAT DISSOLVING TREATMENTS

Fat dissolving treatments are sold as packages of two sessions - this is the minimum number of treatments needed to see a results. For extra slimming results, a third or fourth session can be booked if required.

DOUBLE CHIN

from \$1600 (per session)

For patients with stubborn fat and with no loose skin.

JOWL FAT TREATMENTS

from \$800 (per session)

This is a niche treatment best done in patients with very good skin quality. Jowls can also be treated with fillers so this will be assessed during your consultations

BRA FAT (FRONT)

from \$1600 (per session)

This treatment helps soften the fat bulge often found between the bra strap and the armpit. (A quick breast examination with a chaperone present will need to be performed before this treatment is considered to ensure that there is no other cause of the bulge

BRA (FAT BACK)

from \$1600 (per session)

This treatment helps soften the fat bulges that can form under a woman's bra strap on their back
